

Job Title: Middle School Math Teacher

School Overview: St. Philip's Episcopal School is a prestigious private school located in Beeville, TX. Established in 1954, St. Philip's has a long track record of successfully educating the students of Bee County. St. Philip's is dedicated to providing a holistic and enriching educational experience for students. We are seeking a passionate and qualified Middle School Math Teacher to join our team.

Mission Statement: St. Philip's Episcopal School seeks to foster growth in scholarship, character, and spiritual formation through a challenging academic environment & nurturing Christian atmosphere.

Position Overview: We are looking for an enthusiastic and dedicated Middle School Math Teacher to inspire and educate our students in the fascinating world of mathematics. The ideal candidate will possess a strong foundation in mathematics education, a commitment to fostering a positive learning environment, and a passion for helping students succeed academically and personally.

Responsibilities:

- Develop and implement engaging and rigorous math curriculum aligned with academic standards and school objectives.
- Create a supportive and inclusive classroom environment conducive to learning and growth.
- Employ a variety of instructional strategies to accommodate diverse learning styles and abilities.
- Assess student progress regularly and provide timely feedback to students and parents/guardians.
- Foster a love for mathematics through hands-on activities, real-world applications, and creative problem-solving opportunities.
- Participate in professional development activities to enhance teaching skills and stay abreast of best practices in math education.

**Qualifications:**

- Bachelor's degree in Mathematics, Education, or related field.
- State teaching certification or licensure required.
- Proven experience teaching middle school math.
- Strong knowledge of middle school math curriculum and instructional methodologies.
- Excellent communication and interpersonal skills.
- Ability to differentiate instruction and provide individualized support to students.
- Commitment to fostering a positive and inclusive learning environment.
- Collaborative mindset and willingness to work as part of a team.

Benefits:

- Salary commensurate with experience and qualifications.
- Comprehensive benefits package including health insurance, retirement plan, and tuition assistance.
- Vibrant school community committed to excellence, collaboration, and innovation.

Application Process: Interested candidates should submit a resume, cover letter, and list of professional references to Schooloffice@spepiscopalschool.org. Please include "Middle School Math Teacher Application" in the subject line. Applications will be reviewed on a rolling basis until the position is filled.

At St. Philip's, we believe that every student has the potential to excel, and we are dedicated to empowering them to achieve their goals. Join our team and make a difference in the lives of our students!
